Subject Qualifications and Supervision of Non- Credentialed Staff	Authorization		Approved: 12/26/17 Replaces: #06-02-41 (Clinical Supervision) approved 10/30/12	

Updated: December 2020; Reviewed/No Updates March 2022

- I. **PURPOSE:** To assure that all non-credentialed individuals providing direct services including staff members, volunteers, trainees, interns, and contract providers meet minimum requirements as a qualified provider and are provided with appropriate supervision or direction in the care and treatment of consumers.

- II. **APPLICATION:** All non-credentialed providers of clinical and community services programs employed directly, contracted, or subcontracted by Community Mental Health Authority (CMHA).

- III. **DEFINITIONS:** Non-credentialed staff: Non-professional/paraprofessional personnel who do not require a degree or license to provide specific services and supports.

- IV. **POLICY:** CMHA requires that all non-credentialed personnel meet criteria as set in the Michigan Medicaid Provider Manual, which states all providers must be:
 - At least 18 years of age.
 - Able to prevent transmission of any communicable disease from self to others in the environment in which they are providing supports.
 - Able to communicate expressively and receptively in order to follow individual plan requirements and beneficiary-specific emergency procedures, and report on activities performed.
 - In good standing with the law according to the PIHP/DHHS and CMHSP/DHHS contracts.
 - Successful in completing required recipient rights training.
 - Able to perform basic first aid procedures.

- V. **PROCEDURE:**
 - A. CMHA will ensure non-credentialed staff meet minimum requirements including, but not limited to those outlined in the Medical Provider Manual, the PIHP/DHHS and CMHSP/DHHS Specialty Services and Supports Contracts, NorthCare and CMHA training requirements, and specific training regarding Individual Plans of Service (IPOS), as required.

 - B. CMHA will ensure that all non-credentialed staff providing direct service to individuals are appropriately supervised and have available evidence of this

supervision upon request by NorthCare and/or DHHS. Training requirements are found in CMHA's *Assessment of Training Needs of Personnel* policy #00-00-06A.

- 1) All direct care providers of service are supervised by an immediate supervisor, program director, psychiatrist and/or Medical Director.
- 2) Supervision can occur through supervisory participation in treatment planning, organizational staff meetings, individual supervision and/or review of the clinical record.
- 3) Supervision is provided by qualified staff as determined by state licensure or certification, expertise in a particular area such as a Qualified Mental Health Professional (QMHP), a Qualified Intellectual/Developmental Professional (QIDP), and/or a Children's Mental Health Professional (CMHP).
- 4) Clinical supervision includes review of:
 - a) The accuracy of assessment and referral skills.
 - b) The appropriateness of the treatment or service intervention relative to the needs of each person served, to include medical necessity and community integration focusing on recovery of the individual.
 - c) Treatment effectiveness as reflected in the persons meeting his designated goals, dreams and desires.
 - d) Provision of feedback that enhances the skills of the provider.
 - e) Ethical issues, legal aspects of clinical practice and professional standards including boundaries.
 - f) Clinical documentation issues identified through on-going record reviews.
 - g) Cultural competency issues.
 - h) Identification of training needs.
- 5) Supervision is documented via various staffing meeting minutes in the case of group supervision and in individual consultations via an individual consultation note. In home based and ACT this is completed on home based and ACT staffing minutes. In the case of all other programs documentation will occur on an individual consultation note. All staffing minutes and or consultations are maintained by the supervisor of the program.
