“Healthy Michigan” is a new program available to residents of Michigan. Many who were previously unable to get any kind of assistance may now qualify for a wide variety of coverage, all under one plan. Highlights of some of the available coverage include:

• Ambulatory Services	• Emergency Services	• Hospitalization
• Maternity/Newborn Care	• Mental Health Disorders	• Substance Use Disorders
• Prescription Drugs	• Lab & X-Ray Services	• Dental Services
• Rehab/Habilitative Services	• Preventative & Wellness	• Chronic Disease Management

If you meet the new income guidelines, are age 19 to 65, not currently enrolled in Medicaid, not in or qualified for Medicare and are a resident of the State of Michigan, you could qualify!

To make things even easier, Community Mental Health in Wakefield can help you apply on-line, right in their office – whether or not you receive services there. Just call 906-229-6100 and request assistance with “Healthy Michigan”.

Applications and assistance are also available at the Department of Human Services office in Bessemer – call 906-663-6200.

The Healthy Michigan Plan is a health care program offered through the Michigan Department of Community Health.
